### *New Administration Building*

The leaders of Eastern Pilgrim College have always been persons of deep spirituality and keen foresight. In this last year this quality has shown itself anew in our leaders. The result is the plans for the modern, spacious administration building pictured above. Including twenty classrooms plus utility space the new building is designed to accommodate a student body of five hundred. We hope the future students can enjoy the same wholesome classes but in brand new classrooms. May this building be a monument of answered prayers and a training center for the youth of ours and of future generations.

TO MR. AND MRS. HOSEA A. GARRISON, this copy of our Beacon as a small token in appreciation of your love, faith in, and understanding of young people. Your life has been a constant guidepost for youth in our school for many years. May the Lord richly bless you.

*And take the helmet of salvation — Eph. 6:17*

# *The President's Message* *Take The Highway!*

REV. R. D. GUNSALUS

The Class of 1954 steps out into the world of a New Age. It is called the Age of the Atom. The whole future is being born now of the fears and the possibilities inherent in the discoveries of this newly harnessed power. What with spaceships, interplanetary wars, and prophets of doom, it is small wonder Civilization stands in jeopardy.

Isaiah in a similar Age of Jeopardy "Saw God" (Isaiah 6), and as a result also saw "A Highway" (Isaiah 35). That was the "Highway of Holiness", of peace, of joy, and of companionship. Only those who have the vision and courage to walk that road will be a blessing today. The Class of '54 may well let others cry for fear and retreat from the scene in defeat.

May God grant that you, each one, shall take the Highway of Holiness to victory and

everlasting triumph. We bid you God's speed.

R. D. GUNSALUS  
*President*

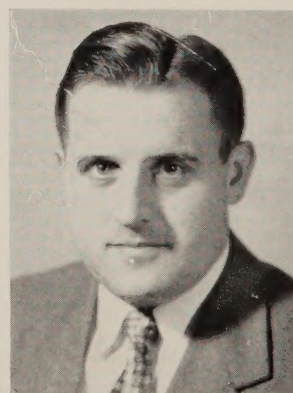

*Lift up your eyes unto the fields . . .*

"Eyes right!" is a familiar command to anyone who has ever served in the armed forces. As the marching ranks approach the reviewing stand this order rings out and every eye is turned quickly, fastened on the superior officer.

In the armed forces of the Lord there is a similar yet very different command — "Eyes up!". Heed this, and it will accomplish two great things in your life: 1. You will never lose sight of the "fields already white unto harvest." 2. Always beyond them you will see the Lord of the Harvest beckoning you to reap the golden sheaves as you make your way toward eternal life with Him.

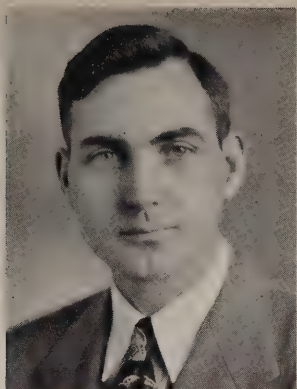

Forward march! Eyes Up! Victory!

REV. M. DIETER

*The Pastor*

The ministry of the Gospel presents a tremendous challenge to you. The indifference of the age you live in, the luke-warmness of the visible church and the many personal problems arising from your being a man among men, will discourage you to the point of quitting. But, work steadfastly on. This age needs young people with vision, with compassion and with understanding. You have these qualities. Use them by the Grace of God and you will be a true shepherd.

J. A. BRYD  
*School Pastor*

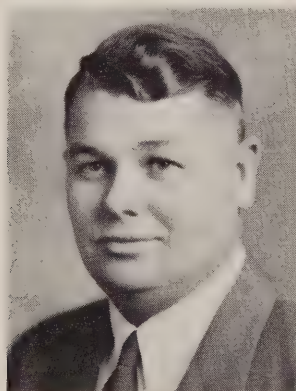

*High School Principal*

I direct these few words not only to the High School members of the class of '54, but in the role of class advisor I prefer to challenge every member of the class in the words of your own motto. Be *Loyal to Christ!* And, if you are, then it must follow that you will be *Loyal to Others*; for in all of Christ's teachings he taught loyalty to and thoughtfulness for others.

H. A. GARRISON  
*High School Principal*

*The Dean*

Once more time for parting has come. You have made a good start in life. The future is bright. God's grace you will find sufficient for every need—draw on it freely. In warmhearted devotion serve your Master. Until he comes give attention to reading, to exhortation, to doctrine, especially take heed to yourself and to the doctrine. Continue in them, for in so doing you will both save yourself and those who hear you. (I Tim. 4:13-16) God bless you, keep you faithful, and make you fruitful.

JOHN CLOUGH

APPLE GROVE, VA.

*Bachelor of Theology*

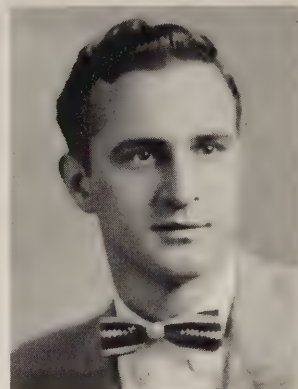

This "dyed in the wool southerner" has come to E. P. C. from Apple Grove, Va. We feel John is surely on the road toward his goal of fulfilling his call to the ministry. His talents are shown in his work as a Sunday School teacher, member of the Spiritual Life Council, and as chaplain of the senior class. He is a member of the Pilgrim Holiness Church and a worker at Roller-Smith. After John has told one of his tall tales, he often adds a "no kiddin'" as if to emphasize it.

### PAUL DIETER

CHERRYVILLE, PA.

*Bachelor of Theology*

In the course of a conversation you might hear the expression, "Now wait once", spoken by a Pennsylvania Dutch boy from the Lehigh Valley. Paul was the tenor singer of the E. P. C. quartet, "The Ambassadors". He also participated in the mixed chorus and the male chorus. Between his work at General Electric and his sieges over Greek, Paul feels that his time is taken up very well. The aim of this young man in the future is to be a pastor, the Lord willing, and we believe he will make a good one.

### RICHARD FRIOT

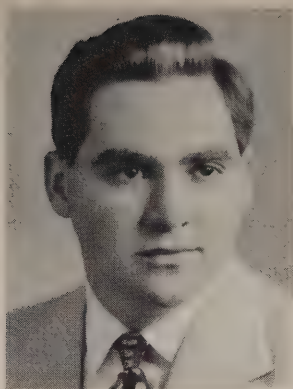

HENNELTON, N. Y.

*Bachelor of Theology*

A student at E. P. C. who has been admired for his perseverance and courage in overcoming obstacles is Mr. Friot. A favorite verse of Scripture of his has been, "Thou wilt keep him in perfect peace whose mind is stayed on Thee." On Sundays Mr. Friot has taught a Sunday School class in the Free Methodist Church in Allentown. His plans for the coming years are to be a teacher and a pastor.

### HARRY GRIMES

BELLEBRIDGE, PA.

*Bachelor of Theology*

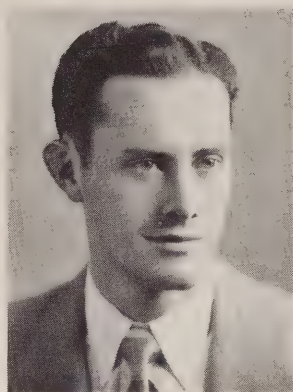

Coming to us from western Pennsylvania is a young man who has accomplished much during his stay at school. Harry has been a Sunday School teacher and also the president of the senior class. His job as an electrician at Lehigh Dairy has served to provide for his wife and baby daughter and to pay his way through school. Harry's aim is to be a minister and on the basis of his Christian spirit and activities while attending E. P. C. we believe he will make a good one.

### KEITH KUNKLE

YOUNGWOOD, PA.

*Bachelor of Theology*

An E. P. C. quartet, "The Ambassadors", of which Keith was the baritone member, will long be remembered by all who heard it. Keith is a quiet fellow who wins his way into the hearts of people. Working at Lehigh Dairy, he supports his wife and puts himself through school. Keith likes to relax by listening to records. We trust that he will be a blessing in the service of the Lord as he leaves E. P. C.

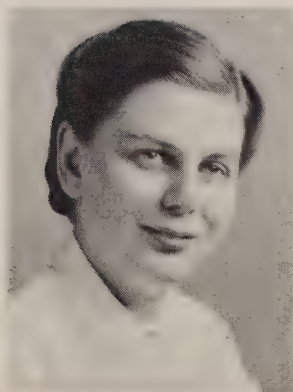

### EMILY MacNAUGHTON

GLENN FALLS, N. Y.

*Bachelor of Theology*

If you hear some saying, "I'm in a rare mood today," you will know it is Emily. Having attended Oneonta State Teacher's College, she transferred to E. P. C. to continue her schooling. Being an energetic girl, she often goes walking for recreation. An enthusiastic follower of Christ, she worked faithfully at the 4th Street Mission, and will be a great blessing as a soul winner for the Lord.

*Dear Edith,  
Have you re cooperated from the  
picnic? God continue to use and  
keep you.  
Emily*

## RICHARD MOORE

CAMILLUS, N. Y.

*Bachelor of Theology*

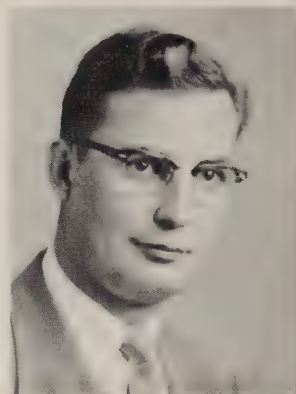

A determined young man from New York, Richard will undoubtedly see the fulfilling of his desire to be a helper of the Lord in winning souls. Working as a carpenter's helper, he provides for his family and schooling. Dick, as we know him, likes as hobbies, hunting, fishing, and sleeping. While in school he served as a Sunday School teacher at E. P. C. and a children's worker in Allentown.

## LEROY PENNYCOFF

MILTON, PA.

*Bachelor of Theology*

A man with a Pennsylvania Dutch back-ground came to school a few years ago to further his education in the ministry. While attending Bible School, he pastored for some time, receiving practical training toward his goal of becoming a soul-winner and minister of the Lord. Mr. Pennycoff, in his less serious moments, likes to collect old coins.

## LOIS THORNTON

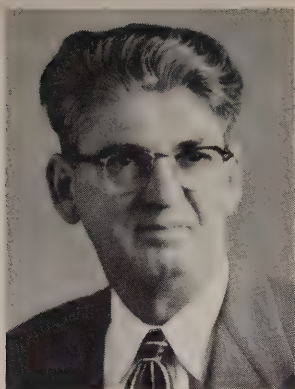

MENTCLE, PA.

*Bachelor of Theology*

A young lady who came to our school some time ago is a member of the Wesleyan Methodist Church. All who know her have a deep respect and admiration for her Christian spirit, courage, and perseverance. Lois has been quite active in school organizations, having been a member of the mixed chorus, girls' chorus, Spiritual Life Council, and the Honor Society. Besides attending school, she has been a faithful worker at an electrical company in Allentown. Her hobby is recipes. As she carries out her plans to be a teacher, we wish her God's blessings.

Edith,  
I have enjoyed  
knowing you.  
May God's richest  
blessings be yours  
always and may  
you be used of  
him to win souls.  
It's been nice  
being able to attend  
the F. M. Church  
with you. Lois

### NORMAN L. BOYD

CAPE MAY, N. J.

*Bachelor of Rel. Ed.*

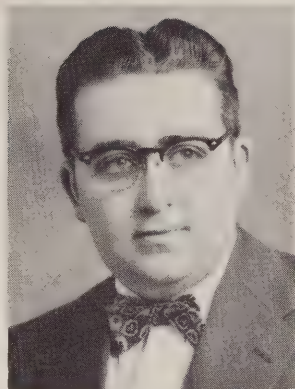

The walls of Old Main will soon be bare of paint and wallpaper since Mr. Boyd, the painter and paperhanger, has left to be a soul-winning preacher in the Nazarene Church. His experiences in deep-sea fishing may be profitable to him in fishing for souls. A good indication of his success in Christian service was his faithfulness at the 4th Street Mission.

### ROBERT CAMPBELL

READING, PA.

*Bachelor of Rel. Ed.*

Coming to us from the Lehigh Valley is Bob, a preacher's son. Like his father he too plans to be a preacher and hopes to enter the ministry in the near future. While in school he played in the school band. Roller-Smith and Company will miss him when he is gone. Bob's hobby is hunting. May the Lord bless him and give him souls as he enters the Lord's work.

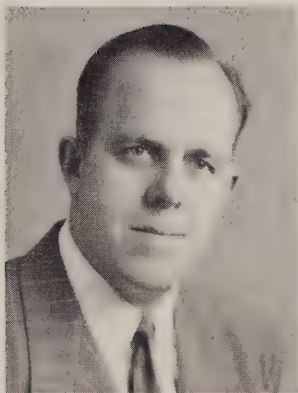

### RALPH BURCH

BYRNEDALE, PA.

*Bachelor of Rel. Ed.*

Ralph Burch came to E. P. C. four years ago as a theology student. Teaching a Sunday School class and preaching at the county home are mere training for this fellow who aims to be a minister. Ralph's hobby is hunting, that is, when there is any game around. Working as a painter at Roller-Smith has provided funds for not only his schooling but also for his home. We are confident he will be a success.

## JULIAN HOWARD

HOPEWELL, VA.

*Bachelor of Rel. Ed.*

Julian Howard is already the capable and successful pastor of the Hopewell Pilgrim Holiness Church, president of the ministerial association in the locale and secretary of the Virginia district. His wife and two children love him in spite of his jokes and the teasing about his bow tie. His son seems destined to follow in his father's footsteps. He'll be a success, too, as a wonderful pastor and preacher if he does.

## DAISY KREISCHER

SHAMOKIN, PA., R.D.

*Bachelor of Rel. Ed.*

An emotional tonic for all is the good-natured and humorous disposition of Daisy. At times you might hear her exclaim, "Oh, dear!". Daisy's interest in photography has provided entertainment for all who have looked at the pictures she has taken. She has been a Sunday School teacher, a secretary of the Missionary Fellowship, and a member of the Spiritual Life Council. Daisy's experience as an attendant at the Allentown State Hospital should help her in her future work as a missionary and school teacher.

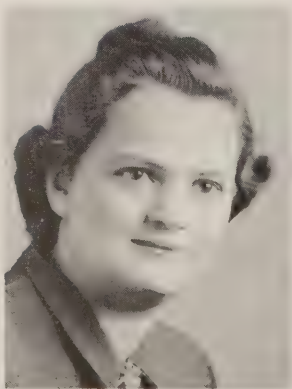

## IELA LEACH

MINGO JUNCTION, OHIO

*Bachelor of Rel. Ed.*

A good representative of Christianity from another denomination is Iela, who is a Wesleyan Methodist. She has been quite active in school organizations, having been a Sunday School secretary, Sunday School teacher, and a member of the chorus, a trio, the Spiritual Life Committee and the School Home Missionary Society. Iela worked at the General Electric Plant in Allentown while attending school. One of her hobbies is collecting pictures and another one, quite unusual for girls, is eating. Her goal for the future is to be a Home Missionary Worker.

Dear Edith,  
May the Lord  
richly bless you.  
Iela

## LARUE MEREDITH

HYDE, PA.

*Bachelor of Rel. Ed.*

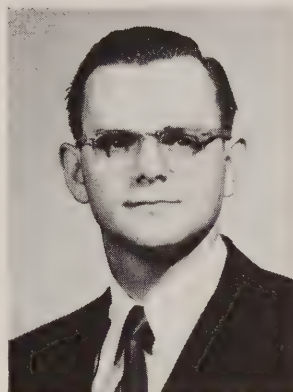

A quiet, unassuming young lady, who hopes to be a missionary is LaRue. During her stay at school she has worked at the Western Electric Cafeteria. LaRue has a favorite portion of Scripture which is Psalms 37:3-5. We believe she will be a great blessing in the service of the Lord.

## LOUIS PATMORE

JOSEPHINE, PA.

*Bachelor of Rel. Ed.*

Louis Patmore is the successful pastor of a thriving church in the hills of Pennsylvania. He is ambitious and aggressive with fine abilities as a minister. His keen sense of humor and very sunny disposition make him the friend of all young people. Maybe his children inherit their love for eating from their proud father. His success we will never doubt and may the Lord bless him in his work.

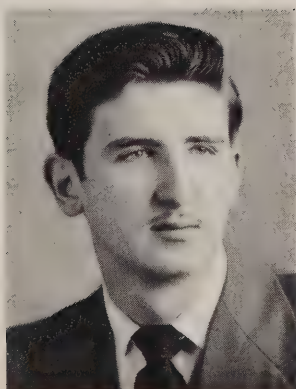

## DONALD PENIRD

AUBURN, N. Y.

*Bachelor of Rel. Ed.*

This young man, whose ambition is to be a minister, is a member of the Church of Christ in Christian Union. Don has the knack of being original in his work and will be a blessing in the service of the Lord. Being a devotee of photography, he will be able to take away from school many reminders of school activities in the form of pictures.

### MILDRED VONADA

BELLEFONTE, PA.

*Bachelor of Rel. Ed.*

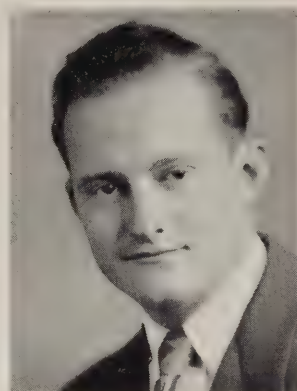

Mildred is a young lady who desires to be a missionary. Her devoted Christian spirit has been a blessing to the students during her stay at school. She is not a person who says very much about herself but by her faithful and unassuming manner has accomplished much. In her spare moments Mildred likes to crochet. May God bless her efforts in His service.

### WALTER DILL

LINWOOD, PA.

*3 year curriculum*

Coming to us a few years ago from the oil refining section along the Delaware River, was a young man whom most of us know as "Skip." Whenever he is in the midst of a group of students, strongly debating some issue, you might hear him say from time to time with much vehemence, "That's what we need more of." While in school, Skip has found time to fill in the position of song evangelist at different churches and hopes to make this a full-time service for the Lord in the future.

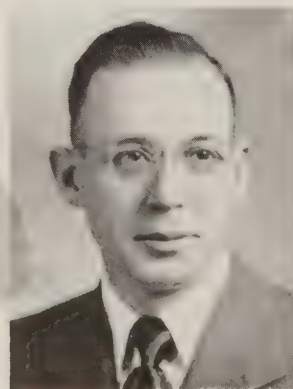

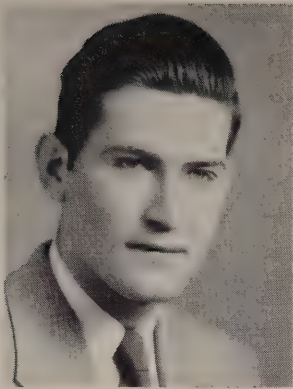

### GEORGE FILE

MILLMONT, PA.

*3 year curriculum*

This Pennsylvania Dutchman, who gets his "v's" and "w's" mixed, is the proud father of two boys. Since he is an energetic and faithful worker, we believe he will make a good pastor as he enters the Lord's work. Mr. File has held religious services in the County Home while in Allentown. Hunting season finds him on the trail eagerly looking for a deer. May the Lord make him a blessing as he works for Him.

## PAUL KLOTZ

BINGEN, PA.

*3 year curriculum*

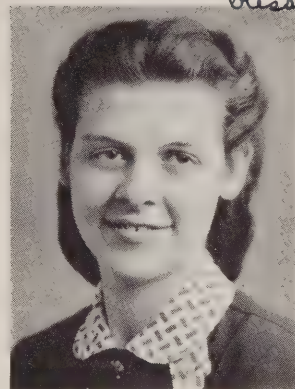

Across the mountain south of Allentown from Center Valley came a young man who is winning souls for the Lord. Paul is a member of the New Reformed Church and by his devotedness and spirit has proven to all, that he is a real Christian. ## BETTY MARTIN

DENTON, MD.

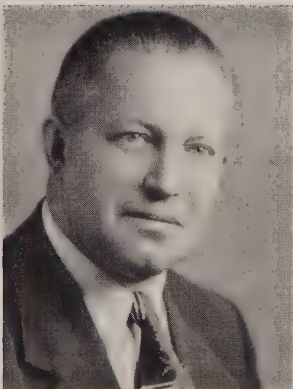

*3 year curriculum*

From the Eastern Shore has come a young lady to attend E. P. C. Betty likes music and may be heard playing the organ in her spare moments and has held the position of treasurer of the senior class. Already she and a young man at school have made plans together whereby she will become a minister's wife in the future. May the Lord bless her as she works in the service of the King.

*May God's richest  
blessings and best  
be yours always.*

*Betty*

Mr. Peachey is a member of the Church of the Nazarene and hopes to preach the gospel as a minister of this church. During his stay with us, he has also worked as a grinder at Roller-Smith. When startled, he usually says, "Oh, my!" We wish Mr. Peachey success as he labors for the Lord in the future.

## ELLOUISE BORTNER

SPRING GROVE, PA.

*Junior College*

Our Holiness Christian friends have a right to be proud of this young lady they have sent to us. Ellouise has made an outstanding impression during her stay at school. Much of her spare time has been taken up by her work as yearbook editor and staff reporter for the "Blue and White Times." Her remaining moments are occupied by reading and sewing. In a debatable discussion, from time to time you might hear her say with emphasis, "Listen!" Future plans of Ellouise include obtaining her B.S. and R.N. degrees.

## DORIS SPOTTS

JULIAN, PA.

*Junior College*

A faithful stand-by for Western Electric in Allentown has been Doris, who has attended school with us at E. P. C. "The Blue and White Times" will remember her as a reporter for this same paper. At times when a group is talking she adds a "you're not kidding" clause to the conversation. Doris aims to be a teacher in the future and we wish her success and the Lord's blessing as she leaves school.

*Best wishes in  
everything - Glad to hear  
from you. Doris*

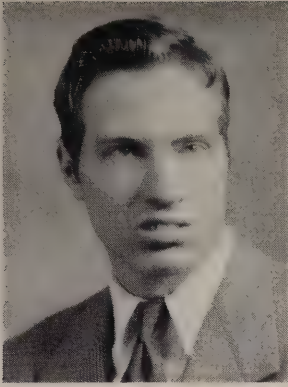

## MARY GRACE BLIMLINE

CLAYTON, DEL.

*Christian Workers*

Mary's life at school this year has certainly been different than that of any other year. At Christmas time her name was changed, and her accent is becoming tinted with Dutch. You see she has married one of E. P. C.'s Pennsylvania German theologs. One of Mary's favorite hobbies is sewing. As she and her husband enter the ministry we wish them a life of success and service in the Lord's vineyard.

### DONALD MOYER

EMLENTON, PA., R. D.

*Bachelor of Rel. Ed.*

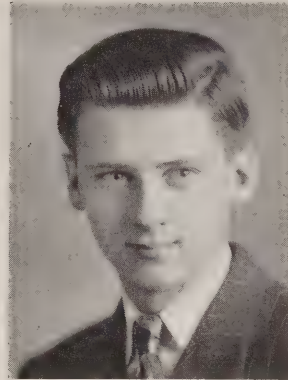

The United Brethren in Christ Church will be enlarged by the addition of a new pastor who is graduating this year. His main ambition is to be a good worker in Christ's harvest fields. The ability to play a trombone should also be an advantage to any young pastor. Don was married during the Christmas holidays this year. May the Lord's blessing rest upon him and his labors.

### FRED NEWTON

WATSONTOWN, PA.

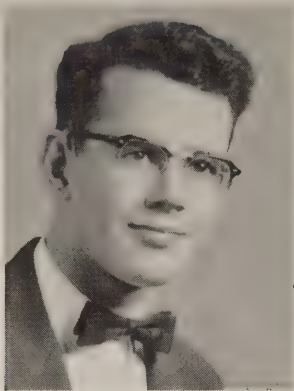

*Bachelor of Theology*

Fred started his theological training at E. P. C. with hopes of entering the ministry. Then Uncle Sam called him. After an honorable discharge he came back to school for more preparation. While here the second time he chose a Canadian girl for a life's companion. Now Fred is on the calling list for service in the Lord's army. His good natured disposition and serious attitude make him a well-liked student.

*Let's

# CHARLES ARMENTROUT

STAUNTON, VA.

*General*

Charles is better known to us as Dick or "kinky top" of the senior class. While here at school Dick has participated in male chorus, mixed chorus, and school quartet. He is president of the male chorus and also an efficient president of the Business English Class. After school Dick works as a cashier at Tropical Market, but loves sports and singing for relaxation. He plans to continue his education here at school next year.

# ALYSE ARNT

STROUDSBURG, PA.

If you hear someone talking to herself, saying, "Let me see now," you'll know Alyse is around. This brunette likes to read and crochet although she wishes to be a bookkeeper. She is also interested in her M.R.S. degree and yet her greatest ambition is to run a "Bachelor" home. Oh well, he understands it even if we don't.

# DORIS BAKER

BALTIMORE, MD.

*Business Education*

During her stay here, Doris has been very active in school functions. A marked ability to play the piano plus a vibrant alto voice blend to make her a much sought-after person in music circles. She participates in the mixed chorus, mixed quartet and girls' trio. You can usually hear her asking, "Have you seen Johnny?" Her musical talent is supplemented by "his" artistic ability, making a winning combination.

A pretty blonde with a smile is Sylvia. Her life here at E. P. C. will long be remembered. She has a likeable disposition and a pleasing personality. She can be heard saying, "Hey, you." Her ability to "cheer the sick" might come in handy in choosing a future career. Maybe she will become a nurse. She attends the Pilgrim Holiness Church of Force, Pa. Although her future plans are indefinite, we are sure she will be a blessing for her Master.

## LUKE BOWMAN

CAMBRIDGE, MD.

General

Luke is well liked by both students and teachers although he has an aversion to studying too hard. He often remarks, "Is that a fact?" Luke's interest in music is indicated by his participation in a trumpet trio, orchestra, and mixed chorus. For recreation he loves hunting and fishing. To Luke we wish success as a great trumpet player.

## ELEANOR BOZAK

### SHIRLEY CALLAWAY

SALISBURY, MD.

Callaway went that-a-way—either to her baby-sitting job, to chorus practice or to work on the "Blue and White Times". The position of English class president is also filled by this capable gal. There is never a dull moment when Shirley is around. Pleasant and laughing she usually has the latest joke on the tip of her tongue. "My word" is Shirley's favorite way of expressing herself, "I am still undecided about my career."

Cathy,

### CATHERINE CAPPEL

PINE GROVE, PA.

Academic

This Pennsylvania Dutch girl, known to all of us as Cathy, is a member of the Holiness Christian Church. Cathy's school-work is made a little more difficult since she is co-editor of the "Blue and White Times." This extra work and her work in the dining room doesn't reduce her record of A's though. Her ever-ready testimony and her devout life are sure to leave a marked trail for others.

PINE GROVE, PA.

*General*

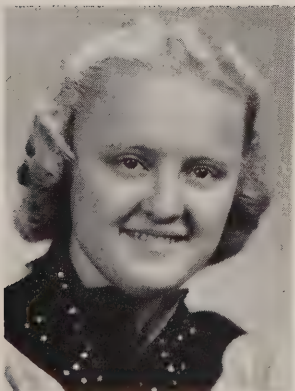

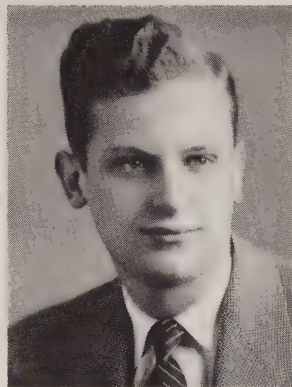

This girl is a twister for you—a pretzel twister, that is. Her crazy jokes, her winning smile, and her spiritual life make her a character not easily forgotten. Jeanie's wonderful personality is being used as a tool in winning souls for the Master. We, as a senior class are not doubting her success as a shining light for the world in her future.

## DAVID CARL

AVELLA, PA.

*Academic*

David, better known as "Dave" is editor of the "Blue and White Times." He has an aversion to marks under an A. This fellow is often heard saying, "Oh kid! I can't believe it." Hobbies of his are teasing girls and reading good books. Every afternoon you will find Dave at Hendrick's Drug Store working. He is full of laughs and loves to joke. Dave's great ambition is to be a doctor—maybe a missionary doctor. May the Lord use you in your life's vocation.

## RACHEL CRISSINGER

DORNSIFE, PA.

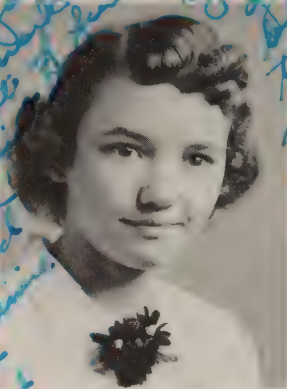

*General*

Last year a little Pennsylvania Dutch girl landed here at school. She is full of fun and has a cheery word for everybody. If you hear, "What's ailin' yuh?" you'll know this vivacious blond is near. Rachel's hobby, writing letters, must have some connection with her being a navy fan. Her ambition is to be a nurse, marry a sailor, and drive a Ford—a Crissinger Ford, that is.

THERESA DIXON

CHARLOTTESVILLE, VA.

*Business Education*

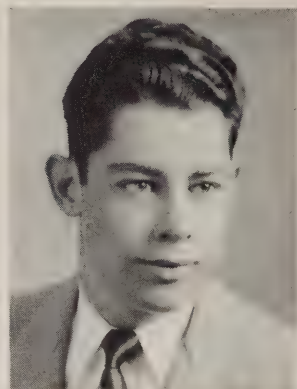

A broad accent betrays this girl's address. We know it could be nothing else but Old Virginia. Quality, not quantity, is what counts in Theresa's case. Just think she is only five foot, three inches in spikes. Her shortness never stops her work though. Every day her nurse's aid job finds her on duty. Theresa's good-natured laugh is often better than medicine for the sick.

ELMER DRURY

McKEESPORT, PA.

*Business Education*

This curly-haired fellow who works in a food market is quite the guy for automobiles. But that isn't all! He has visions of himself in the ministry of God with a pert blonde wife by his side. He is often heard to say "What in the world?!!" He sure likes traveling with the Male Chorus. I'm sure we couldn't do without Meemo.

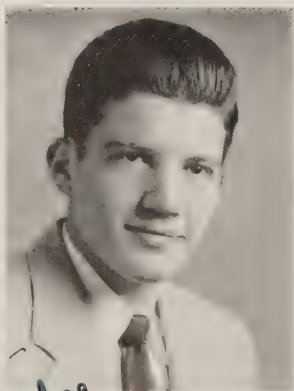

JOHN DUNN

NEWPORT NEWS, VA.

*Academic*

From the deep South came John Dunn to complete his high school education. The North wouldn't mind having a few more southerners within her gates if they were like John with his pleasing personality and Southern accent. They make him a likeable boy. His main sports are basketball and football. The Pilgrim Holiness Church of which his father is the pastor has John's membership. His ambition is to win souls for the Master and he expects to continue his education at E. P. C.

## HAZEL ESPY

BROOKVILLE, PA.

*Business Education*

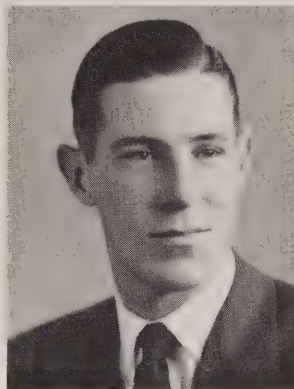

Short and dark-haired describes this girl who is a nurses' aid at Sacred Heart Hospital. To her this job is but training for her future vocation. She plans to be a nurse. Hazel likes to sew, travel, and decorate. On Sundays Hazel can usually be found attending the Free Methodist Church in town, to which denomination she belongs. May the Lord richly bless her in her future career.

## MARCUS GILBERT

STAUNTON, VA.

*General*

Two years ago this boy drifted in from the Shenandoah Valley of Virginia and, of course, as most Virginians he's proud of it. Mike has spent two years with the male chorus which he fully enjoyed. This boy will be the preacher of his family. He spends his spare time keeping girls of Dieter Hall warm, that is, he's the school fireman.

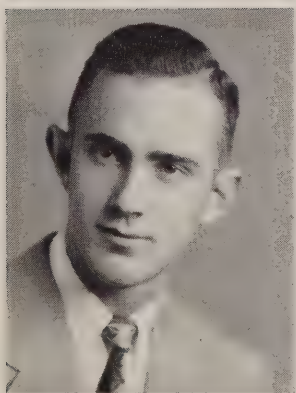

## NELSON HEFFELFINGER

DANIELSVILLE, PA.

*General*

This young man is described as being tall and good looking, full of fun, and a big tease. His interests are fishing, hunting, and farming. That Nelson seems to be mechanically inclined is proved by his "tinkering" with cars and watches. Cokes are Nelson's business while Spanish seems to give the job more attraction. In other words, Nelson works at Coca Cola and does his Spanish when there is a lull.

## NANCY HILE

DEWART, PA.

*General*

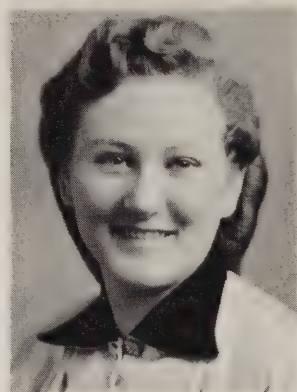

Nancy is a little girl with a big smile and a very likeable disposition. She can be seen playing in the orchestra with her alto horn. Nancy has a weakness for fuzz and lint, but not lung trouble. Singing in the mixed chorus seems to take up some of this girl's seemingly boundless time and energy. Her love for daring exploits might come in handy on the mission field.

## FAYE HOMME

ELLSWORTH, PA.

*Business Education*

This girl's motto is "Laugh and the world laughs with you." She is usually found in the midst of anything funny. Although she is a jovial person, Faye is also interested in doing work for her Master. She may be found cheering sick people. That is, she is a nurses' aide. Faye participates in Mixed Chorus and a girls' trio. Her ambition is to do child evangelism.

## BETTY KLEPPINGER

CHERRYVILLE, PA.

*Business Education*

Anyone who carries a lunch will readily point out this jolly Dutch girl. Although she is kept busy in the E. P. C. kitchen, she also holds the important office of senior class secretary. Work is no enemy to this friendly lass and her excellent grades bear vivid testimony of this fact. Her ambition is to become a supervisor of "Old Maids, Inc." Well, in this case, Betty, we hope you don't succeed.

## BARBARA KLOB

TROY, N. Y.

*Business Education*

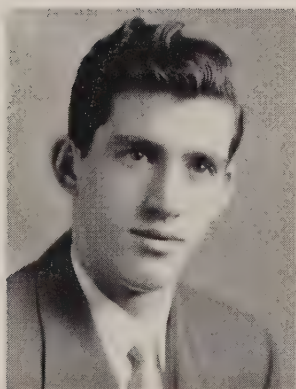

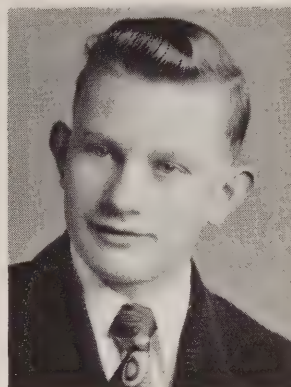

We find in Barbara a girl who likes to sing, type, keep books, and baby sit. Mixed chorus claims some of her time. Barbara belongs to the Wesleyan Methodist Church her father pastors. Her fine qualities and personality will probably secure Barbara an office position or maybe even a preacher. We wish her much success as she fulfills the plan of God in her life.

## THEODORE LATSHAW

HERNDON, PA.

*Academic*

A young man with a Pennsylvania Dutch background came to us some time ago to complete his high school education. Working at the Acme market in Allentown has helped to put him through school. When hunting season is on you can find "Ted" tramping the fields in search of game. As he leaves E. P. C., Ted plans to attend college.

## MELVIN LOCKARD

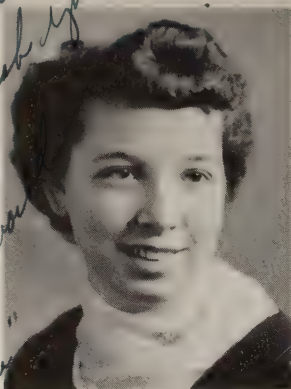

GIPSY, PA.

*General*

Striding by you with a cheery "Hi, doc," is a tall, even-natured fellow from western Pennsylvania. Melvin is here with us in person but his heart is back home with a certain young lady to whom he is engaged. When the elements are just right, ice-skating and skiing occupy his spare time. In school the two subjects that intrigued him most were chemistry and mathematics. Melvin's future plans are to enter the ministry and be a blessing for the Lord.

Edith,  
It has been swell  
knowing you this  
year. I wish you all  
the best  
in the war  
"Naomi"

NAOMI McINTURFF

SALISBURY, MD.

*General*

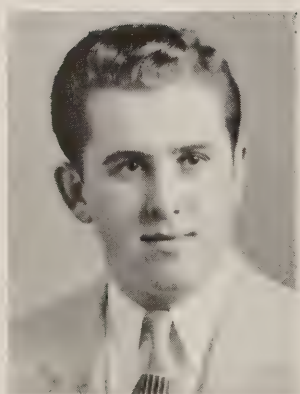

Noise seems to be but a part of this spirited Marylander. In the dormitory she can be heard practicing for the mixed chorus in which she greatly enjoys herself. This practice won't hurt her since her ambition is to become an evangelistic singer, although her job now is baby-sitting. "That's the truth", seems to be her favorite saying. Naomi, we're sure you will make your place in this great country of ours.

LARUE MEREDITH

HYDE, PA.

*General*

A quiet, unassuming young lady, who hopes to be a missionary is LaRue. During her stay at school she has worked at the Western Electric Cafeteria. LaRue has a favorite portion of Scripture which is Psalms 37:3-5. We believe she will be a great blessing in the service of the Lord.

DALE PICKERING

ALLENTOWN, PA.

*General*

This quaint curly-haired Dutch boy dairyman is not only an auto enthusiast, but also an avid fan of one certain Pittsburgh girl. His trumpeting has been an unlimited asset to our school. To a certain special brown-eyed girl, Dale might be heard exclaiming at times, "What a crazy girl!"

*Edith*  
 No one would possibly be able to tell  
 you were in the drum. - Your spirit  
 has been a blessing. - Mr. the Lord's  
 very best be yours. - Prudie

PRUDENCE PIPER

McKEESPORT, PA.

*Business Education*

"What a crazy guy!" No, we don't mean Prudie—that's her favorite saying. The West met the East when she came to E. P. C. In other words, Prudie met Dale. Her inimitable wit doesn't seem to be taxed very much in her hobby of collecting shoes and magazines. Prudie is kept busy at baby-sitting, singing in the mixed chorus, and reporting for the "Blue and White Times" staff. We're all confident she'll fulfill her ambition and make a happy and capable wife and mother.

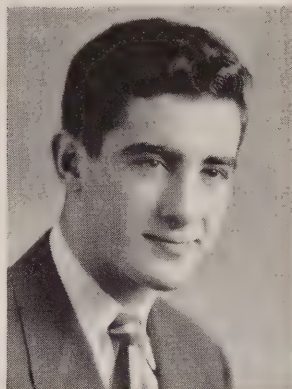

GEORGE ROBINSON

HAMPTON, VA.

*General*

From the region of a great naval base down "Old Dominion" way comes this dark-haired young man to school. He is a member of the Friends Church and we are happy to have him in our school. George had been a member of the school orchestra and plans to enter the service of the Lord in the future. As a hobby he likes almost every sport.

JANET SCHELHOUSE

MILFORD, DEL.

*Business Education*

Whenever you hear the question asked, "Where's Tommy?" You'll know who's asking it. She works in the school office and plays in the band. She enjoys housecleaning and school. Her hobbies are driving a red convertible belonging to a certain young man, and having dates with him. In the future she hopes and plans to get married and be happy.

## BETTY SNYDER

SHARPSVILLE, PA., R.D. 1

*General*

Western Pennsylvania has sent us a young lady, who after graduating this year, plans to return to E. P. C. to continue her education. Betty has an interest in the work of the Lord and we trust she will be a blessing as she works for Him. If you see the flash of crocheting needles, you will know that Betty is around as crocheting is her hobby. May the Lord make you a blessing, Betty.

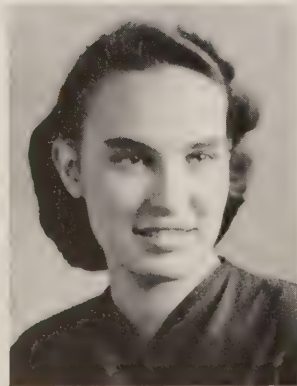

*May the Lord bless  
you richly.  
Dharlys*

## DHARLYS STENCE

MILLERSBURG, PA., R.D. 1

*Academic*

A young lady at E. P. C. admired by all for her Christian spirit is Dharlys. She has been quite active in school organizations, having participated in the chorus, a trumpet trio, a singing trio, and in the school orchestra. Baby-sitting takes up a part of her time as a means of earning money while she is in school. Dharlys plans to come back to E. P. C. to continue her education in the Christian Worker's Course.

## LOIS YOUNG

BLADENSBURG, VA.

*Academic*

This tall, dark-haired Nazarene who helps keep order in the library, is surely an asset to our school. Her consistent Christian life has been a help to us all, during her stay here. Art, fellows and collecting stamps are her hobbies. Living so close to our nation's capital should make Lois an expert on current events. Many people can remember Lois by her sweet smile and kind ways. May her future be a success.

*Dear Edith  
I have enjoyed knowing  
you and looking near  
you this year. May God's  
richest blessings be yours.  
Love  
Lois*

*Joan Ziegenfuss  
Cherryville, Pa.  
Business Education*

JOAN ZIEGENFUSS

CHERRYVILLE, PA.

*Business Education*

Coming to us from the Lehigh Valley is a little Dutch lass with a cheerful disposition. When she is talking to you, you might hear her exclaim about some particular point in these words, "I died laughing." Joan has played the accordion in an instrumental trio. Since she has worked in the school office, we know she has gotten some practical training toward fulfilling her ambition of becoming a bookkeeper. Knitting, crocheting, and sewing serve as her hobbies. May the Lord bless Joan as she continues to serve Him.

Of loy-al-ty, loy-al-ty, Yes, loy-al-ty to Christ. "On to vic-to-ry! On to

38 YACHT AVENUE, CAPE MAY NEW JERSEY

#### PSALM 107

Verses 23 to 31

23 They that go down to the sea in ships; that do business in great waters;

24 These seek the works of the LORD, and his wonders in the deep.

25 For he commandeth, and raiseth the stormy wind, which lifteth up the waves thereof.

26 They mount up to the heaven, they go down again to the depths: their soul is melted because of trouble.

27 They reel to and fro, and stagger like a drunken man, and are at their wit's end.

28 Then they cry unto the LORD in their trouble, and he bringeth them out of their distress.

29 He maketh the storm a calm, so that the waves thereof are still.

30 Then are they glad because they be quiet; so he bringeth them unto their desired haven.

31 Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!
